Ch 152.8

Going Back to Where

After a moment of silence in the room, Shang Jun suddenly sat up straight, glared at Xiu Zhi and shouted, "No way!!"

This exclamation words finally made Xiu Zh feel uncomfortable. He had confessed his feelings to Shang Jun, so Shang Jun would not misunderstand that he had bad thoughts about him, right?! Qin Xiu Zhi hurriedly explained, "Shang Jun, don't get me wrong, I'm not... I'm just... I'm worried about your wound, I think... No, I don't want to... .."

After talking for a long time, Xiu Zhi still couldn't make it clear. Instead, his words were more incoherent. A thin sweat broke out from Xiu Zhi's forehead, but Shang Jun gradually calmed down. Just when Xiu Zhi was staring at him and didn't know what to say, Shang Jun suddenly asked calmly, "Are you sure you want to help me apply the medicine?!"

"I..." What would he say?! The words in Xiu Zhi's throat were blocked.

"Okay." Shang Jun got up slowly. The moonlight was sprinkling on him, while stepping on the shadow of the moonlight, he approached Xiu Zhi step by step. His white clothes was flying, while his black hair was drooping down. Xiu Zhi could almost hear his thunderous heartbeat, and before he realized it, Shang Jun was already standing in front of him. He took a deep breath, and without saying a word, he neatly tore off his (SJ) belt, so his plain white shirt slipped along with the belt....

The slender figure was displayed in front of Xiu Zhi without any cover....

Sian's note - I'm changing SJ from he to she from this point on ward!

"You...you are..." A woman!! Xiu Zhi couldn't tell what he felt in his heart, but the next moment, Xiu Zhi was deeply hurt in his heart. It was because of the perfect body that was supposed to be white and delicate, now covered with strips of scars that were almost crisscrossing the bones. There was no intact skin anywhere on her body.

Picking up the plain clothes on the ground and putting it on Shang Jun's shoulders, Qin Xiu Zhi gently hugged her into his arms, as he was stroking her satin-like hair, Xiu Zhi's low voice whispered in her ear, "You had been suffering..."

Shang Jun's body trembled uncontrollably, but her voice was still calm, "You have seen it all." Seeing clearly that she was a woman, and seeing those hideous marks that would follow her forever, did he still want her like this?!

"Yeah." Feeling Shang Jun's trembling body, Qin Xiu Zhi hugged her tighter.

Standing stiffly, Shang Jun said coldly, "Is this still beautiful? It's ferocious and terrifying, right?" When she looked in the mirror, she would be frightened by herself, let alone others? Qing said

that this time, Xiu Zhi should be allowed to decide by himself, well, she would let him decide, after seeing the real her.

This was Shang Jun. Even at this time, she didn't show any weakness, but the cold and sad voice was enough to make Xiu Zhi feel her heartbreak. He slowly lowered his head and gently kissed the deep pocket on Shang Jun's shoulder. The warmth and delicate kisses made Shang Jun's heart feel a strange feeling inexplicably, a little numb, and a little uncomfortable. She wanted to nudge Xiu Zhi, but Xiu Zhi refused to let go, as he was holding Shang Jun's hand, Xiu Zhi asked softly, "Shang Jun, I feel really bad, let me take care of you, okay?"

"You think it's pitiful for a woman to become like this, so you want to take care of me, is that right?" Shang Jun slowly withdrew her hand, she didn't need anyone to be pitiful.

Tying the belt, Qin Xiu Zhi helped her put on her clothes, while he took care of her slightly messy hair, and carefully and tenderly facing Shang Jun's cold eyes. Qin Xiu Zhi looked back calmly, "Jun, you don't have to say this to me, let alone saying this about yourselves. You know, you are a woman, so I am very happy. Not because of anything else, but because I don't have to worry about you despising my love. And because of my love, you will be hurt and ridiculed by other people. In my heart, it doesn't matter whether you are a man or a woman, because you are my most precious person. And these so-called hideous scars will not make you look pitiful, but will only make me understand your tenacity better. I feel more sorry for your forbearance and love your bravery more."

In those eyes as deep as the sea of tranquility, Shang Jun saw her pale face, while she was caressing Xiu Zhi's beautiful face, and said in a low voice, "Xiu Zhi, such a perfect man like you deserves a better person. "

"You are the best person. In my heart, there is no other person who can compare to you." He would not allow Shang Jin to escape from him, so he grabbed her hand once she wanted to break free. As he touched her smooth cheek again, Xiu Zhi said softly, "I won't disfigure my face in order to express my determination, because I want you to know that such a perfect me will protect you, accompany you, and take care of you all my life. Give me a chance, and let the years test my oath, okay?"

For a lifetime?! Lightly leaning on Xiu Zhi's warm and firm chest, which may not be considered thick, a tear fell from the corner of Shang Jun's eyes. Listening to the calm and long heartbeat, Shang Jun finally and lightly opened her lips and replied softly, "Okay."

Cherish the person in front of her, so she would like to give Xiu Zhi and herself a chance.

Under the moon, the two people who admired each other, could finally hold each other's hands.

Sian's notes:
